Find files larger than 1MB:

```
find ./rmlsfl_property_residential -type f -size +1M
```

Delete files larger than 1MB:

```
find ./rmlsfl_property_residential -type f -size +1M -exec rm -f {} ;
```

Find files older than 180 days:

```
find ./directory-name-here -type f -mtime +180
```

Find files older than 180 days:

```
find ./directory-name-here -type f -mtime +180 -exec rm -f {} ;
```
